**FOR IMMEDIATE RELEASE*****Krishna Kottapalli of SCIO Health Analytics has been selected by ExecRank as a Top Private Company Sales Executive for 2013***

(San Francisco, CA) (January 15, 2013) Krishna Kottapalli, Chief Sales and Marketing Officer at SCIO Health Analytics, has been selected by the ranking committee of ExecRank as a "Top Private Company Sales Executive" for 2013. The rankings are the result of 2-years of research and feedback from evaluation committees and top Chief Sales Officers that yielded an algorithm for how to rank Sales Executives based on their performance in 24 key areas.

According to Adam Navrozally, Analyst for the rankings division of ExecRank, "We were very impressed with Mr. Kottapalli and his over 18 years of success in business development and strategic marketing. His experience in managing units that provide healthcare to constituents has played a role in SCIO Health Analytics' strong reputation for client satisfaction. He is highly regarded in his industry, as well as amongst other Sales Executives."

"I am honored for the recognition by ExecRank and pleased to be included in the distinguished list of CSOs," said Kottapalli. "Healthcare is in such a rapid state of change and it is very fulfilling to be in a position to help SCIO®'s clients stay on the cutting edge of analytics solutions to improve payment integrity, increase care-management efficacy, manage costs and improve patient health."

ExecRank evaluated over 15,000 Private Company Sales Executives this year to rank only the Top 250. 2013 has seen a heavy focus on online integration for sales strategies, as well as engagement strategies that break through the clutter and show a positive return on investment.
